July 3rd and 4th

Mount Vernon Lincoln Highway Nitty Gritty Antique Show.

July 9th and 10th

Mount Vernon Heritage Days

LIFT OFF!

Our enhanced banking is set to begin Monday, May 10th. It is very important for you to remember that you must activate your new debit card **on Monday, May 10th**, as your current debit card will not work.

Watch for a **NEW PIN & DEBIT CARD**, arriving **SEPARATELY** by mail around May 1.

- On May 10th, please activate the new card by calling the phone number given with the card.
- Your newly assigned PIN arrived in a separate mailing around May 1. You will be able to change the assigned PIN, on or after May 10th.

Sign into the **NEW ONLINE BANKING** at www.mountvernonbank.com, starting May 10. To enroll, you will need your current login name and use the last 6 digits of your Social Security number for your password.

- Our new ONLINE BANKING will work with Quicken and QuickBooks!

Our new app will provide you with all your banking needs at your fingertips from transferring funds to making mobile deposits.

- Download the **NEW MOBILE APP** (MVB&T Mobile Banking) on or after May 10th from your smartphone app store (you can then remove the old app).

If you use **OUR ONLINE BILL-PAY**, before May 5th, print or write-down your payees' information. This will make it easier to set up on the new system.

New look for our statements.

You will receive 2 statements for May. The first statement will have a closing date as of May 7th, be in our current format and should arrive mid-month. The second statement will have a closing date as of May 31st, be in our new format and should arrive in early June.

- If you currently receive statements via email now and are not signed up for online banking, you will receive an email with a link to access your new statements. You will need to complete a registration form the first time you click on the link.

For up-to-date info go to www.mountvernonbank.com

- Available on our website, how-to guides, and videos.

Newsletter Delivery Update

Starting in June, if you currently receive your Friends Plus newsletter with your monthly statement, you will now receive it via email. If you would prefer not to receive this email or want to make sure we have your current email address, you can contact Sonia at sredmond@mountvernonbank.com. Please indicate “Newsletter Update” in the subject line of the email.

Community Shred Day

The weather was perfect for our Community Shred Day. We had a great turn out and everything seemed to run smoothly. Thank you for your patience and for following the extra guidelines.

Mount Vernon Community Band

The Mount Vernon Community Band concerts are still in the planning stages. If arrangements can be made for a rehearsal space that allows for social distancing the plan is to resume the concerts this year. These are usually held in June on Tuesday evenings. If the concerts resume the bank will once again provide popcorn to the concert goers. More information will be forthcoming.
